OCTOBER 2026

JOAN ROBINSON

JOAN ROBINSON HAS RETIRED AS CLUB PRESIDENT AND VICE-PRESIDENT

As most people know Joan has retired from President and Vice President positions at the Norris Bank Tennis Club (NBTC), however she will retain her role as bar manager.

Joan joined the club in 1978, one year after its inception, and has become the longest serving committee member since the club commenced. Joan began playing Saturday afternoon competition then Wednesday nights and lastly Tuesday ladies. Most importantly was her involvement with juniors, beginning in the early eighties, with her famous toasted sandwiches (the bread being compliments of her employer Tip Top), and ending in 2025, except for a three-year period when she worked on Saturday mornings. Without Joan's hard work and dedication (especially on early cold, wet winter mornings) the running of the junior competition may not have continued so successfully.

When our club rooms transferred from the beloved shed to our new Clubhouse, we installed an official bar which Joan has managed every week since, and over the years it has been very profitable, especially when holding social gatherings, which has contributed to NBTC obtaining our great facilities.

Because of lack of volunteers Joan has also become an IT expert, managing rosters, emails and accounts etc. (That is until something goes wrong and the expletives come out!)

I'm sure all current and ex members, especially juniors (whose names Joan will remember) will agree that the NBTC would not have been such a successful, friendly and fun club without her dedication and we would like to thank her for all her hard work over the numerous years. Hopefully Joan will still continue with her presence, input and Tuesday night tipples for many more years.
